

Rafael Medina
— Senior Product Designer

hellorafaelmedina@gmail.com · +1 (829) 786 9580 · NYC/Santo Domingo

WORK

Ox Project (Remote, SF) — Dec 2021 - March 2026

Senior Product Designer

- Redesigned Matcha.xyz DEX aggregator from scratch, introducing monetization flows that generated sustainable revenue.
- Designed and shipped Ox API dashboard in 5 weeks; directly contributed to scaling API revenue to \$100K+/month.
- Led marketing design strategy for 12 months: campaigns, video content, and web experiences that increased developer adoption

Boldvoice (Remote, NYC) — July 2021 — December 2021

Product Designer (Contract)

- Sole designer for accent training mobile app with 50K+ users; partnered directly with single developer to ship growth experiments
- Prioritized high-ROI feature improvements over full redesign, maximizing impact with limited resources

Moody's — Remote (Remote, NYC) — Jan 2021 — July 2021

Product Designer (Contract)

- Redesigned financial analysis tools for institutional analysts, improving data discovery and workflow efficiency
- Shaped UX for company profiles and government entity features used by thousands of financial professionals

TM [Chainlink & Twillio] (Remote, Los Angeles) — Dec 2018 — Dec 2020

Product Designer & Frontend Developer

- Chainlink: Collaborated with Design Director on internal tools and brand system for leading blockchain oracle network
- Twilio: Led complete redesign of developer tools platform; conducted user interviews and UX research to inform decisions
- Onit: Rebuilt drag-and-drop logic builder with React, improving usability for legal workflow automation

Incubeta [Google] (Remote, NYC) — Jan 2018 - May 2018

(Contractor) Product Designer and Dev <https://edudirectory.withgoogle.com/en>

- Designed Google Edu Directory connecting schools globally with certified Google trainers
